Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 16, 1996

SUBJECT: **SB 3093 - HB 2974**

This bill, if enacted, will require that in a county with a metropolitan form of government, a sports authority will have as a portion of its membership, at least nine directors, with at least one director appointed from each metropolitan school board district.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to the extent that the additional members are reimbursed for expenses related to their official duties. Such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
